

Domestic Violence 2024

South Carolina

DOMESTIC VIOLENCE

A domestic violence incident includes murder, aggravated assault, simple assault, and intimidation that involves victims and offenders who have either a familial or romantic relationship with each other. Familial relationships are defined as including the following victim to offender relationships: child, stepchild, grandchild, sibling, stepsibling, parent, stepparent, grandparent in-law and other family member. Intimate relationships are defined as including the following victim to offender relationships: spouse, common-law, ex-spouse, boyfriend/girlfriend and same-sex relationships.
